

Western Wayne Middle School 2024-25

Our Mission:

Through facilitating collaboration between middle school students and members of the community, we envision building a long-term network of relationships, mutual learning and service between generations and across the region. By providing a format for students to explore a wide variety of topics in real-world fashion, we aim to empower and inspire students to dream of what they can do and be, and give them a chance to answer the question: *What would you like to learn?*

Who can come?

Any student in 6th, 7th, or 8th grade -- Signups are on a first-come-first-served basis. *Space is limited.*

When and where does it happen?

We are excited to hold Pop-Up Club in the community space at the Hamlin Community Library! Clubs will take place on Tuesdays and Thursdays after school. Students will ride the bus to the library. Field trips to other locations will be announced ahead of time. In order to attend, students must sign up with Mrs. Weber (room 129) for the week by **3p on Monday.**

How do I find out about schedules/topics?

The schedule of Pop-Up Club activities will be posted and available each month.
SEE **Mrs. Weber in room 129** for permission slips, seasonal calendar cards, and to sign up.
